

Recycle

ESS Goals 2021

Recycling goal

To reduce amount going to landfill through recycling schemes by 80% in 2021, increasing to 90% in 2022

Procurement goal

Regularly review our supply chain to ensure sustainable procurement for all projects

Energy goal

Review our energy use at London and Manchester bases and liaise with energy providers in 2021 to ensure sustainability and best value

Repurpose

Support local communities

Sustainable procurement

Energy

Repurposing goal

Decommissioned equipment to be re-purposed for use. 85% of all decommissioned equipment to be re-purposed by end of 2022

Local communities goal

Delivery of Digital T-Levels, providing local 16-18 year olds with work placements and course support 2020 – 2022

Reflection

ESS Group to review goals and initiatives quarterly, and share findings with the wider business

Reflect and review
